Beach Cities writes General Liability, Worker's Compensation, and Commercial Auto in California, Arizona, and Nevada only. The firm's principal has been licensed and doing business in Orange County since 1973. (License # 0E83649)

Workers Compensation

- We write workers comp for all industries in California, Arizona and Nevada. This coverage is required for employers and provides for payments to injured workers for medical costs, time lost, and rehabilitation as well as death benefits for surviving spouses and dependents. It also protects employers from employee lawsuits for workplace accidents.
